

Edenwold Centennial Committee
EDENWOLD
June 1912 to June 2012
100 years of memories!

The Village of Edenwold is holding it's Centennial Celebration and Parade on Saturday, June 9, 2012. The village is about 25 miles north east of Regina. Our plans for the day will include a parade starting at 11:00 am followed by a lunch at the Edenwold Rink. The afternoon will include family fun activities, Edenwold memorabilia at the Senior's Centre , musical entertainment and a beer garden. There will be a beef pit supper in the Edenwold Hall followed by live entertainment and a dance to end the day. We are also planning on having fireworks if funding can be obtained.

Any proceeds from the event go towards community projects. We are a non-profit organization.

We would appreciate any assistance or involvement to help celebrate our day that you would be willing to offer. We are looking for participants in our parade, such as: floats, entertainment, mascots, vehicles, livestock, farm implements, sports teams, musical groups, etc. We are expecting between 500 -1000 visitors in attendance. Nothing is too big or too small (within reason) and we welcome everyone.

If you would like to participate or require additional information, please contact Dan Hubbard at 771-4308 or by email at glenda.dan.hubbard@gmail.com

Even if you are unable to participate in the parade, we welcome you to join us in this day of celebration!

Thank you for your time,

Sincerely,

Dan Hubbard
Edenwold Centennial Parade Committee
