Re: SaskWater Rate Adjustment – Agreement #(s) 201507

This is to advise you that SaskWater will be increasing your **Potable** service by **9.00%** as a part of a multi-year rate adjustment for 2012 to 2014. The 2012 increase will come into effect for the April billing period and will be reflected on the invoice you will receive in early May.

This is only SaskWater's second rate increase since 2007. SaskWater is committed to providing safe, reliable water services to all of our customers and to making continued infrastructure investments and renewals to support a growing Saskatchewan.

As a result, your rate as per the above Agreement(s) for Potable water will increase from \$1.6540 per cubic metre to \$1.8029 per cubic metre.

A letter with more information on SaskWater's multi-year rate adjustment and how it affects you will follow in the mail.

Should you have any questions regarding this rate adjustment, please contact our Customer Service Department at 1-888-230-1111 or visit www.saskwater.com.

Thank you for choosing SaskWater. We value your business.
