Re: Town Manager's Report

Highway 1 & 48 Off-ramps

At the July 25, 2011 Council meeting Council reviewed the detailed plan for construction of the off-ramps at Highway No. 1 & 48. Penny Semczyshyn informed me that Highways will be advertising the Tender in the July 30th Leader Post. The tender will close August 14, 2011. Construction is expected to commence before the end of August with a construction completion date of October 31, 2011. There will be penalties if the construction is not complete.

Respectfully submitted,

Shauna Bzdel,
Town Manager
