Re: Town Manager's Report

**Resident Complaint**

Daryl Vercaigne contacted me on Thursday January 27, 2011 to discuss a concern he has with the snowmobiles and ATVs operating within Town limits. Mr. Vercaigne is concerned with the safety of the operation of these items within Town limits with the increase in growth the Town is experiencing.

Mr. Vercaigne is requesting that the Town survey the residents as to whether they would like Council to repeal the current bylaws allowing the operation of snowmobiles and ATV within Town limits.

Respectfully submitted,

Shauna Bzdel,  
Town Manager
