Mayor and Council
Town of White City
P.O. Box 220
White City, SK S0G 5B0

RECEIVED
FEB 22 2011

Dear Mayor and Council,

SAL Engineering Ltd. would like to wish you a happy, healthy and prosperous 2011. As in the past many years, **SAL Engineering Ltd.** is honoured to continue to recognize SUMA delegates by sponsoring the Awards Program for the President's Banquet and we once again congratulate all the award recipients.

During the past 30 years, our firm has successfully completed numerous municipal and infrastructure engineering projects totalling over 250 million dollars. Typical planning, design and construction projects include:

- ▶ Water treatment plants and Reservoirs (new construction, upgrades and expansions)
- ▶ Wells and lake intakes
- ▶ Rural water supply and distribution pipeline and booster station systems
- ▶ Water and sewer mains (new construction, extension and replacement)
- ▶ Sewage lagoons, sewage force mains and sewage pumping stations
- ▶ Infrastructure studies, including Waterworks System Assessments and Drainage Studies
- ▶ Roads (construction and upgrading, geometric design and layout, traffic flow and control)
- ▶ Sidewalks, curbs and gutters
- ▶ Subdivisions (development and expansion)
- ▶ Solid waste landfills

SAL Engineering Ltd. is proud to have served numerous Cities, Towns, Villages, Hamlets, Rural Municipalities, First Nations and Government departments. **SAL Engineering Ltd.** endeavours to provide professional and cost effective Municipal Engineering, Transportation Engineering and Project Management services.

Please contact us by phone at **306-653-4511**, by fax at **306-664-1933**, or by e-mail at [**admin@salengineering.ca**](mailto:admin@salengineering.ca).

Sincerely yours,

SAL Engineering Ltd.

Don C.K. Poon, P.Eng., C.Eng., MICE, CMC, CCCA
