# Nice to Know

## Townhomes of Royal Park

Approved in principle by Council, here's a glimpse at future housing in White City: a thoughtfully planned townhouse community designed to help us grow while maintaining our unique charm.

Royal Park Real Estate is proposing a high-quality townhome-only community that complements White City's small-town character while offering new housing choices. The design focuses on thoughtful site planning, high standards for maintenance and safety, and amenities that benefit residents and the broader community.

### What's Being Proposed

Welcome to Nice to Know—a section of our newsletter where we'll share a little something extra each month. Sometimes it might be a quick tip or fun fact. Other times, we'll have more to share—like updates on major capital projects happening around town. Whether it's a quick tidbit or a deep dive, this is your spot for useful info that helps you stay in the know about what's happening in White City.

# Nice to Know

## Community Benefits

### QUALITY DESIGN:

Private balconies and patios, attractive landscaping, lighting, and proactive maintenance.

### INCLUSIVE HOUSING:

Options for families, professionals, and older residents, along with suites that promote independence and dignity for residents with disabilities.

### COLLABORATION ON SERVICES:

A developer commitment to work with the Town, School Division, and Province on long-term infrastructure and education needs.

## Impacts to the Overall Community

### STRICT TENANT RULES

Clear guidelines, resident screening, and regular inspections will prevent overcrowding and ensure a high-quality tenant base.

### PHASED BUILDING

Built in stages, away from existing backyards, reducing disruption to current residents.

### PARKING CAPACITY

With over twice the required parking spaces, the development won't impact surrounding neighbourhood street parking.

### WHITE CITY SCALE

Lower density than Regina townhouses, this development is thoughtfully designed for a small-town setting.

On-site management, 24/7 support, security cameras, and professional landscaping will ensure the property remains safe, well-kept, and an asset to the community.

This is market rental housing with no low-income units. Some units may qualify as "affordable" under federal definitions, offering reasonable rents for residents like young adults or essential workers.

While schools are provincially funded based on immediate need, the presence of new families helps strengthen the case for additional educational facilities like a High School and additional Elementary Schools.

### SAFETY

### MARKET RENTAL

### EDUCATION ADVOCACY

# Public Works

## Happy Retirement Gary!

Gary Schmidt joined the Town of White City team in February 2014 as Town Foreman, later transitioning to Manager of Public Works. Over the past 11 years, Gary has provided exceptional leadership, setting a high standard for responsiveness, professionalism, and care within his department. His co-workers always appreciated his knowledge and eagerness to help.

His contributions to the Town are immeasurable, demonstrating his genuine desire to make White City a better place for all who live here. From routine road maintenance to major infrastructure upgrades like lift stations, he ensured systems operated effectively and supported White City's growth. As part of the Urban Forest Management team, Gary helped plan for the future of White City's green spaces, ensuring proper planting and care of trees and shrubs. His work on pathway projects – including push-button crosswalks and sidewalks on Motherwell Drive and Lott Road East – improved pedestrian safety along school routes. More recently, he supported upgrades to the Double K Recreation Facility and Emerald Ridge Sports Field, enhancing local recreation.

As per Gary's wishes, the Town held a small, private retirement party to thank him for his years of outstanding service. While we will miss Gary, we are grateful for the time, effort and care he gave to White City, and for the lasting impact of his work. On behalf of Town staff and residents, we wish Gary the best in his retirement!

## Upcoming Projects & Reminders

Our crew is busy tackling a number of fall projects this month.

**Here are a few important updates and reminders from the department:**

- Public Works will continue weed spraying this month. Watch for signage and avoid marked areas. Staff will remove signage when the area is safe to use.
- October is the last month of weekly compost pickup. Starting in November, compost will be collected on the fourth Tuesday of the month.
- Please start placing your garbage, recycling and compost bins on your property and not on the roadway. This will help snow plows operate safely and efficiently.
- Prepare your property for cold weather with this handy winterization checklist:
  - Complete an irrigation blowout to prevent cracks and damage to sprinklers systems.
  - Ensure the cap is in place on your sewer cleanout to prevent frozen sewer lines.
  - Check your water curb box to make sure the valves are accessible in case you require an emergency water shutoff this winter.

# Seasonal Community Cleaning

## Branch Chipping – September 22 to October 3

Residents must have branches out no later than October 1, piled neatly with the cut end facing the curb. Crews will finish chipping branches on October 3.

## Leaf Bag Pickup – October 13 to October 24

Only biodegradable and compostable paper bags are permitted. No plastic bags will be picked up. For the safety of Town Staff, please ensure bags weigh under 50 lbs. Crews are limited to 30-minutes per property. Residents who wish to use this service must have their leaf bags placed neatly at the curb no later than October 22.

## Clean Up Bins – October 22 to October 30

Please separate items into the appropriate bin for waste, metal and recycling. Do not overfill the bins or place items beside the bins. If the bin is full, hold on to your items. Public Works will call Loraas to arrange pickup once the bins are full. Overloading the bins will cause delays for you and your fellow residents. Please do not dispose of the following items:

- Concrete, shingles, dirt or gravel
- Bulbs and light ballasts
- Hazardous materials
- Tires
- Propane tanks
- Car batteries
- Paint
- Oil or chemicals.
- Items longer than 7 feet (wood or metal)
- Railway ties, telephone poles or creosote-treated wood
- Coils of wire or banding
- Appliances containing Freon
- Box spring and mattresses

# Project Updates

## Double K Rink

We're excited to share that the Double K Rink project is officially complete! Thanks to this major upgrade, the rink is now better than ever — featuring a new concrete grade beam to prevent frost heave, reinforced boards, repaired fencing, and refreshed landscaping and asphalt. It's a true win for our community!

Want to invest in community spirit and recreation? Explore our Double K Recreation Facility sponsorship opportunities. By sponsoring rink boards or custom pennants, your business will gain prime visibility in a high-traffic, family-focused environment and be recognized as a proud partner in keeping this facility thriving. Learn more at

[whitecity.ca/p/outdoor-rink-double-k-recreation-facility](http://whitecity.ca/p/outdoor-rink-double-k-recreation-facility).

# Community Centre Parking

The Community Centre parking lot recently got an upgrade, with an improved layout, freshly painted lines and new signage. The upgraded spaces provide wider stalls, clearer markings, and better accessibility for individuals with mobility challenges, ensuring everyone can access the Community Centre safely and comfortably.

# CUSTOMER PORTAL

## Launching October

**We're making it easier than ever to manage your accounts with the launch of White City's brand new Customer Portal — going live this month!**

This self-serve online tool gives you 24/7 access to your Utilities and Property Tax information, all in one convenient place. Whether you want to check your balance, download a receipt, or confirm a payment, the Customer Portal puts the information at your fingertips.

### **What you can do with the Customer Portal:**

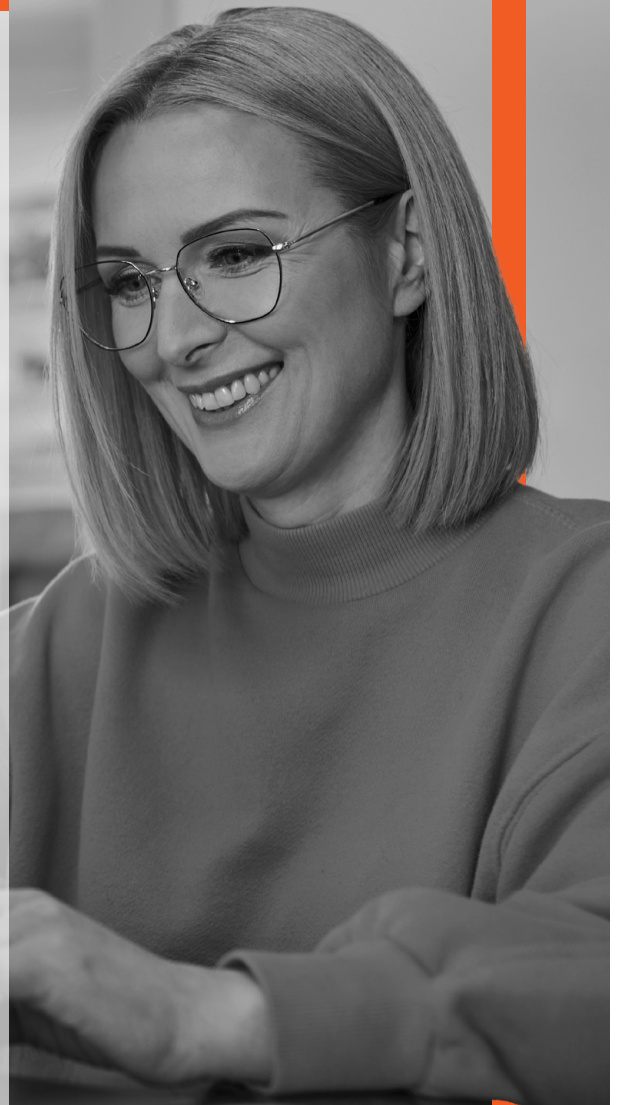

- View account balances anytime, anywhere.
- Download and print documents like notices, receipts and custom letters.
- Confirm payments and stay up to date with your records.

Access the portal at [portal.whitecity.ca](http://portal.whitecity.ca) or visit our website: [whitecity.ca/p/customer-portal](http://whitecity.ca/p/customer-portal).

### **Important info:**

- To use the portal, you'll need to be signed up for e-Billing. You can sign up at [whitecity.ca/p/e-billing-and-payment-options](http://whitecity.ca/p/e-billing-and-payment-options).
- If you currently receive notices by email, you'll get an email prompting you to register for the new portal.
- If you currently receive paper notices, no worries — you'll continue to get them by mail unless you choose to switch to e-Billing and sign up for the Customer Portal.

**For more information and step-by-step registration instructions, visit:**

The inSight newsletter is created around the 15th of each month. Publishing CSO statistics from August in October aligns with the newsletter production schedule, allowing time for thorough data analysis and timely inclusion in the current edition. September 2025 statistics will be available in the November 2025 edition.

## Community Safety Reminders

With students back in class, it's time for an important reminder: you must stop for school buses when their stop arm and safety lights are activated.

Local bus drivers have reported too many close calls with vehicles failing to stop in front or behind a school bus, putting students at serious risk.

This isn't just a courtesy; it's the law. Failing to stop can cost you \$360 in fines and four demerit points — but far worse, it could endanger a child's life.

Getting to your destination a few seconds faster is never worth putting children at risk. When the safety lights are flashing and the stop arm is out, you must stop in both directions — no exceptions. Only proceed once the lights are off and the stop arm is retracted.

A few extra seconds of patience could save a life. Please help us keep our kids safe.
