Councillor Blog

Welcome back fellow residents of White City (and those reading from the surrounding area) for the November 2024 edition of the White City Councillor Blog. With the end of the 2020-2024 term in sight, the final councillor blog of the term will focus on messages from some of the current council members:

Mayor Brian Fergusson

First: "Thank You" to the residents of White City. You gave me your support four years ago, and I've never forgotten that. Regardless of whether decisions were easy or tough, I pride myself on always considering what was in the best interests of the community. It's challenging at times to communicate all the relevant factors that go into some of those decisions, especially when people are (understandably) too busy to read all the communications we put out, but we tried to be as open and transparent as possible.

Thanks to the Councillors that put up with and worked with me over the past four years. We didn't always agree on everything, sometimes resulting in some heated discussions, but once the decisions were made, we moved on to the next issue – no hard feelings.

Congratulations to the new Council, consisting of three returning members and three new members. I note one of them was our Town Manager when I was elected in 2020 – it's a strange world we live in! I'm looking forward to working with them after the November 13 election, but that's not up to me – it's up to the voters.

Again, thanks for your support!

Deputy Mayor Rebecca Otitaju

When I first expressed my desire to run for council in White City, I did not set a specific timeline for when that moment would come. However, in God's perfect timing, I submitted my nomination form and ran for election in 2012. By His grace, I was elected. Reflecting on that first election and now being elected three times, I am deeply humbled and profoundly grateful to God, my family, and the entire community for this opportunity to serve. It is a privilege I will always cherish, and I carry with me the valuable lessons learned about the intricate processes behind decision-making.

To our community, I cannot stress enough the importance of being involved. Each of us has something unique to contribute to the betterment of our town. I encourage those considering a future role on the council to attend meetings, observe the discussions, and understand the thoughtful deliberations that shape our decisions. I extend my heartfelt congratulations to the new council members and the Mayor. You will remain in my prayers, by God's grace.

Once again, thank you to everyone. God bless White City!

Councillor Kris Moen

I am thankful to have had the last 4 years to represent this community. It was an eye opening experience into the world of local politics and I am grateful for the opportunity. I believe our council helped move White City forward even though our term was met with many obstacles. We had to work through a global shutdown with Covid, balancing the ups and downs of our ongoing wastewater issues, and the never ending topic of not knowing what our town boundaries are going to be. The mix of these items didn't make future planning easy but we had a good group that was open to discussions and a great administration that helped guide us through.

I am excited to see what this next term will bring to our community. I unfortunately have to step aside from local government as I took a new direction with my career but I look forward to seeing how our amazing community continues to grow.

Councillor Scott Moskal

Thank you for your support over the last 8 years. It has been a rewarding, enlightening and a humbling experience. When I decided to run for council in the 2016 election, I understood the approximate effort involved. I was trying to learn about and contribute a little more to this great community. The first term was challenging and involved a lot more time than initially anticipated. We faced a lot of crucial and critical decisions. Boundary Alteration (Annexation), Town center Development (Royal Park), and Multi-Use Recreation Center planning were just a few but extremely significant in many different ways. The second term was different in ways of strategic planning, financial responsibility, and dealing with a failed wastewater project. As I reflect back, I am certain that I represented the community's best interests and have helped guide the municipality on the best possible path forward.

Over the years, I have learnt a great deal about municipal infrastructure, policies, and what it takes to be a community leader. I am grateful for this opportunity and the support of the community as a whole. It seems wasteful to step away, however I am hopeful that time will allow me to contribute again one day. Regrettably, the time has come where I need to focus more on family and career aspirations. As my children are growing older, I am becoming more involved with coaching, being a parent, and career progression. At this time, I am not able to contribute as a Councillor like I did previously and as some others do. I wish the new Council and Mayor a successful term commencing November 14th, 2024. There are many challenges ahead of us. I urge the community to respectfully share their ideas and thoughts with those on council and the Town, so that we can continue to grow strong and proud.

Councillor Andrew Boschman

As your town councillor for the past eight years, it has been an honor to serve you and help shape our vibrant community. While we've faced challenges, particularly with the complexities and previous failures of the wastewater utility, I will continue to fight to discover what happened and to have the public informed. Over the next four years, I am committed to driving progress and advocating for the facilities our town truly deserves—such as recreational amenities and both elementary and high schools.

I'm also excited to continue supporting the two advisory groups I strongly advocated for: the Youth Advisory Committee, where I look forward to seeing the contributions of our young people, and the Parks, Recreation, and Culture Advisory Committee, which will give residents more of a direct voice in shaping community events, programs, and recreational opportunities.

As I look ahead, I'm excited about future possibilities for our town. With your support, I hope to take on a new role as your School Board Trustee of Subdivision 8 for Prairie Valley School Division. With your vote, we can continue building a strong, thriving community together.

Thank you for your continued trust and support!

Sincerely,
Andrew Boschman

Stay tuned for the December Edition of White City inSight which will feature information on the 2024-2028 Council!

A reminder that there will be an election for the office of mayor and no election for the office of councillor. Make sure to get out and vote on:

Advance Poll
Sunday November 3, 2024
10:00 a.m. to 4:00 p.m.
White City Community Centre

Regular Poll
Wednesday November 13, 2024
9:00 a.m. to 8:00 p.m.
White City Community Centre

If you have any questions, have a comment, want more information, or want to suggest a topic for a future blog please email townoffice@whitecity.ca or call 306-781-2355 – we look forward to hearing from you!

Boschman, Andrew
Grant, Dustin
Kolb, Kenneth (Ken)
Krzysik, William (Bill)
Sultana, Shahnaz
Zorn, Henry (Hal)

Dated this 10th day of October, 2024.

Voula Colbow, Returning Officer

Introducing:

Mitch Simpson

Candidate for Mayor

Hi, I'm Mitchell Simpson, and I'm putting my name forward for Mayor of White City. Over the past 3 years I've gotten to experience the charm White City has to offer and have had the ability to raise our 2 boys along with my wife Sarah. I want White city to be a safe and thriving community we can all be proud to call home.

As one of the fastest-growing communities in Saskatchewan, our population is projected to reach over 22,000 by 2045. If elected, I am committed to responsible allocation of tax dollars and delivering a sustainable growth plan to support and finance the long term requirements for the growth of our infrastructure and community services.

White City debt is the highest in its history. While debt instruments are a common financing option for municipalities, a clear vision for the short-term and long-term financial resource allocation, is most important. It's time for a change. Here are my key priorities for our growing community:

- **Financial Management Plan:** Ensure tax dollars are spent wisely to enhance community services and implement a sustainable long-term financial plan for the growth of our infrastructure and local economy.
- **Infrastructure Plan:** Advocate for a new elementary and high school to accommodate our growing population, and maintain existing civic infrastructure assets in good repair.
- **Local Services Plan:** As we grow, a long-term plan for fire protection, waste management, recreation, maintenance and growth of park and green spaces, while being an environmentally responsible community.
- **Local Economy:** Ensure the fundamental municipal services in our community keep pace with the pressures of growth, and supports expansion of our local economy, which by extension, should increase our tax base in White City.
- **Enhanced Transparency:** Foster an environment of openness by clearly communicating plans, policies, and spending.
- **Community Policies:** Involve residents in decisions that impact daily decisions. You may be aware that the imposition of a curfew in White City has become a topic of debate and consideration. On that point, If elected, I will absolutely not support the imposition of a curfew in our community.
- **Municipal Services:** The delivery of municipal services is a fundamental responsibility of any municipal government. I will advocate for an internal cost review of all our municipal services in White City. The mandate of the cost review will be to identify gaps or pricing inefficiencies, that if rectified, could result in costing savings for White City, and consequently, greater long-term affordability and value for all residents in our community.

Democracy thrives on participation, and as mayor, I will work diligently to engage our community in shaping a bright future for White City. I encourage you to vote on November 13, 2024.

Full list of Priorities:

- **Responsible Financial Management:** Ensure tax dollars are spent wisely to enhance community services and infrastructure.
- **Sustainable Growth:** Advocate for a new elementary and high school to accommodate our growing population.
- **Enhanced Transparency:** Foster an environment of openness by clearly communicating town plans, policies, and spending.
- **Increased Public Engagement:** Implement regular polls and community forums for large expenditures and policy discussions.
- **Community Policies:** Involve residents in decisions that impact daily decisions. You may be aware that the imposition of a curfew in White City has become a topic of debate and consideration. On that point, If elected, I will absolutely not support the imposition of a curfew in our community.
- **Multi-Use Recreation centre:** Advocate for a new MURC by actively fundraising and building relationships to secure grants
- **Small Town Charm:** Foster growth while preserving our unique small-town character.
- **Thriving business community:** Support and cultivate an environment where local business can thrive.

Introducing:

Brian Fergusson

Candidate for Mayor

In choosing to run for re-election, I considered what our Council accomplished, as well as what's still outstanding:

Accomplishments: a) improved communication and resident engagement; b) progress on Annexation; c) significantly improved relationships with the RM and nearby communities; d) initiated a review of the Official Community Plan (OCP) and Zoning Bylaw (ZB); e) started construction in Town Centre; f) implemented a Community Safety Officer program; g) renewed the Splash Park; h) constructed the Bronco Park play structure with ability features; i) maintained water and sewer rates close to the average of other communities; j) developed the Recreation Centre plan to 'shovel-ready' readiness; and k) maintained property taxes at levels more than competitive with other municipalities.

Yet to Complete: a) getting an annexation decision from the Court of Appeal; b) revamping the governance structure of the wastewater authority; c) achieving rate reductions for water, in spite of the contractual restrictions; d) complete the OCP and ZB reviews; e) construct a high school and an additional elementary school; f) continue development of Town Centre; and g) reduce the Town's debt, most of which has been a result of wastewater treatment expansion to continue the Town's growth.

I believe it's worth noting that an important aspect of being Mayor is the time commitment that's needed to effectively perform the role. In looking back over the past 47 months, I've averaged about 10 hours per week. With calls and emails, preparation time for meetings, etc., that number is closer to 15 hours per week – but that doesn't tell the whole story. There have been several weeks where my duties took 20 or even 30 hours. Many of those hours were breakfast or morning meetings, as well as others throughout the day – sometimes on short notice. When considering candidates, ask yourself who is better able to commit that amount of time as and when necessary – and what happens when that's not possible.

I've posted greater detail about the above (and more) issues on my website and my Facebook page. Please check them out for far more information than space allows here.

Please note that, regardless of whether I'm re-elected this will be my last campaign. I've already decided I won't be running in 2028, and I'm announcing that now to give others time to consider their candidacy, including 'picking my brain' about the role, should they choose to do so.

In closing, I believe I have the skills, knowledge, experience, relationships, and availability to make me the best candidate for Mayor and I ask for your support on November 13. Regardless of the results I'll always be able to look back with the knowledge that I did my job as Mayor to the best of my abilities – and always in the best interests of the community.

Thank you!

Forever in Motion

Forever... in motion is back this Fall at the White City Community Centre. Drop in and join our instructor every Tuesday and Thursday mornings from 10am-11am.

No registration is required! Want to learn more? Contact Meaghann White at mwhite@whitecity.ca or 306-781-2355 ext. 237

Tuesdays and Thursdays
10:00 - 11:00 am

Senior Social Club

Seniors Social Club meets every Wednesday beginning September 11 from 1:30 - 3:30 pm at the White City Community Centre. There is free coffee and board games provided, but the fun times won't start until you're there!

Wednesdays
1:30 - 3:30 pm

White City Walks

We know you want to stay happy, healthy, and active this winter—without the frostbite, slipping on ice, or awkward moments! That's why we're bringing White City Walks indoors to the Community Centre. Stay warm and safe while getting your steps in, no icy patches or winter chills included!

Tuesdays and Thursdays
9:00 am - 12:00 pm

Toddler & Me

Come try out our Toddler and Me Drop-In program; it's completely FREE! A program that provides a space for parents and caregivers to connect, unwind and enjoy time together while your children enjoy self-directed play. Toys and mats will be available for use. Infants are also welcome to attend. Adult supervision is required as the Town of White City does not provide supervision services during this program time.

Wednesdays
9:00 - 11:00 am

Council Summaries

October 1, 2024 - Committee of the Whole

The Committee of the Whole meeting on October 1 was called to order at 4PM. Department reports included Finance; Governance, Legislative Services, Communications, and Protective Services; and Community Planning and Development. Additionally, the Committee approved recommended appointments for the Recreation Advisory Committee to Council and moved that that the Terms of Reference be amended to increase the membership from five community members to eight community members. The Committee also approved a Municipal Donation, Grant and Sponsorship application, and directed Administration to review the eligibility section of, and bring forward options for consideration at the next Committee meeting.

October 15, 2024 - Committee of the Whole

The October 15, 2024 Committee of the Whole meeting included several key items. A delegation from the White Butte RCMP Detachment provided an update on RCMP activities and statistics for June through September 2024, with discussions covering specific incidents, home security camera registry program, RCMP staffing changes, and a brief comment on the student altercations at Greenall High School. The Consent Agenda, which included previous meeting minutes, correspondence from the Indian Head District Hospital Foundation, and accounts and payroll, was approved following a brief clarification. Department reports covered various updates: Business Operations discussed IT strategy, licensing, Occupational Health and Safety committee meetings, and business continuity planning; Parks, Recreation, and Culture highlighted upcoming events, ongoing volunteer strategy, and outdoor rink plans; and Public Works Development focused on infrastructure projects and resident services.

Corporate items included a recommendation to Council for a Donation, Grant, and Sponsorship Policy amendment. Under community items, a report on recreation and facility rental fees was discussed. The Committee referred the report back to Administration for further research and for consultation with the Recreation Advisory Committee. Lastly, a Community Standards Bylaw amendment, covering landscaping standards and timing. The Committee recommended the amendment to Council for adoption.

October 15, 2024 - Regular Council Meeting

The Regular Council Meeting on October 15, 2024, was called to order at 7 PM. The Consent Agenda, which included previous meeting minutes and the ratification of accounts and payroll. The Town Manager provided a verbal report was presented. Council approved the appointments to the Recreation Advisory Committee and reviewed a Long-Term Borrowing Bylaw, which received two readings and was adopted without additional discussion. During the roundtable, updates were provided on topics including the renaming of the White City Museum to the White Butte Museum, upcoming municipal elections, progress on the Emerald Ridge playground, and resident inquiries.

Upcoming Meetings

Monday October 28, 2024
Regular Council Meeting - 7PM

Monday November 25, 2024
Regular Council Meeting - 7PM

Public Works

Upcoming Projects

The Public Works Team is busy with wrapping up fall projects and with seasonal preparations to ensure the community is ready for the colder months. Here's what's happening and few important reminders for residents:

Current Projects:

- Ongoing crack sealing on roadways and pathways.
- Culvert marking is underway to prepare for spring drainage.
- Preparing snow equipment for the upcoming winter season.
- Preparations are also being made for the outdoor rink.

Resident Reminders:

- Sewer Cleanouts: Please inspect your driveway's sewer clean outs to ensure all clean outs are covered, with no broken or missing sewer caps. If your sewer cap is damaged, the Town is not responsible for costs associated with thawing frozen sewer lines.
- Mark Road Edges: Mark the boundaries where your grass meets the asphalt to help prevent any damage from snowplows.
- Garbage/Recycle Bin Placement: Ensure that garbage and recycling bins are placed on your property, not on the road. This will allow snowplows to clear the street without obstruction. Loraas trucks maintain a 9-foot reach, so bins can easily be collected from your driveway.
- Yard Tidying: As winter approaches, keeping your yard free of debris, garbage, and clutter, including tree branches, is crucial to avoid attracting vermin and pests to your property as they seek shelter during the cold winter months.

Fire Department

WCFD Open House

The White City Fire Department hosted their annual Open House on the evening of October 8, welcoming community members to an engaging and informative event. Attendees had the opportunity to meet their local firefighters and first responders, explore the fire station, and learn about the important work the department does to keep our community safe.

The Open House showcased the department's fire trucks and equipment used for fire suppression, rescue operations, and emergency response. The Fire Department strives not only to provide first-class fire protection and medical response, but also to support fire prevention, safety education, and supporting emergency and disaster management planning. In addition to meeting the department, and exploring the fire hall, attendees enjoyed refreshments and a hotdog or two. The White City Fire Department extends a big thank you to everyone who attended and looks forward to continuing to serve White City and the surrounding areas.

Community Safety

SEPTEMBER STATISTICS

- 21 parking reminders issued
- 8 traffic stops conducted:
 - 4 tickets issued
 - 2 warnings issued
- 3 nuisance abatement casefiles relating to non-specific categories
- 1 fire safety casefile for potentially burning inappropriate materials
- 4 animal control casefiles
 - 3 incidents were caused by dogs accidentally escaping home or backyard
 - 1 verbal warning given to dog at large with owner nearby
- 3 incidents involving off-road vehicles, particularly dirt bikes
- 3 verbal warnings and education on the Town bylaws was provided
- 14 public interaction cases

The inSight newsletter is created around the 15th of each month, publishing CSO statistics from September in November aligns with the newsletter's production schedule, allowing time for thorough data analysis and timely inclusion in the following edition. October statistics will be available in the December edition.

GREENALL Update

@greenallschool Greenall High School

October Update

UPCOMING DATES:

- Nov. 8 Remembrance Day Ceremony @ 10:30
- Nov. 15/16 SA Boys Valleyball Provincials
- "Annie" Nov. 28, 29, 30

Griffin Drama Presents "Annie"
Griffin Drama is working hard on Greenall's production of Annie. We are especially excited to involve students from our feeder schools as part of our Orphan Ensemble and a special guest who takes on the role of Sandy, the beloved dog. Save the date - Annie will be performed on Greenall stage on Thursday, Nov. 28, Friday, Nov. 29 & Saturday, Nov. 30. Tickets will go on sale after the Remembrance Day long weekend.

Greenall Acknowledges National Day for Truth and Reconciliation

The Griffins were very fortunate to welcome guest speaker Dale Whitecapp to our school to help our students learn about residential school through the stories of a survivor. Later on in October we were fortunate to see a Hoop Dance presentation from 3 time World Champion Dancer, Dallas Arcand.

Griffin Football

Congratulations to the Griffin's football team for finishing their regular season 6-0. The Griffin's start their playoff run against Yorkton at Leibel Field Saturday October 19th @ 5PM. Go Griffins!

GreenALL Equity Members Take Part in Awareness Walk

GreenALL Equity members, and other Greenall students, volunteered to spend October 4 participating in a walk for Missing & Murdered Indigenous Women, Girls, and Two-Spirit peoples. This was hosted by the RCMP Heritage Museum and included family members of victim's families, RPS recruits, RSP members, Mayor Sandra Masters and Elders who guided us through our day. Our students also learned some tepee teachings, enjoyed a rap performance by Informed Bellegarde, and had a chance to do some sculpting inspired by the Red Dress movement. Greenall students were powerful student ambassadors on this very important day to draw attention about this tragic epidemic.

Reconciliation Presentation from Cadmus Delorme

Some of our grade 12 students recently travelled to Indian Head High School to join other PVSD schools to hear Cadmus Delorme speak about Reconciliation and his journey into celebrating his indigenous identity. He shared his engaging sense of humour and gift of storytelling with all of us in the room and reminded us that perseverance and patience is required for all of us to learn how to listen to one another and hear the uncomfortable histories we have all inherited together.

Law 30 Invites Former Student to Share

Law 30 would like to thank former Greenall graduates and now alumni, Logan Tonge, for coming to our class to discuss the Charter of Rights and Freedoms. Logan talked about how challenging it can be for people living with exceptional needs, that need accommodations, to advocate for themselves - especially if they are non-verbal. His presentation gave our students insight into the experiences of a person with Cerebral Palsy and helped expand their perspectives.

Walk Down Memory Lane

Greenall's 2025 Outdoor School class hosted the first annual Walk Down Memory Lane at White Butte Trails on September 22. Over 80 participants came to the non-competitive walk to honour a loved one who is no longer with us. Outdoor School students worked as course marshals, as all voluntary proceeds will go towards the learning experiences for this year's ODS program. Donations were also made by Prairie Summit Shop and My Mutual Insurance. The staff and students are so appreciative of the community support they continue to receive and look forward to next year's event.

AMBASSADORS FOR CHRIST

LEST WE FORGET

Remembering the Sacrifices of men and women who served and those who are still serving to ensure peace in our nation and the nations around the world.

JOIN US ON
MONDAY NOVEMBER 11, 2024

to honour these heroes at the
White City Community Centre at
10:00am – 11:30am.

It's a time of reflection to pray for those who fought to ensure we have peace and to lay wreaths in remembrance of their sacrifice.

Hosts & Officiating:
Pastors James & Rebecca Ottoju
