# Nice to Know

## Official Community Plan (OCP) and Zoning Bylaw Amendments

**Learn more about the proposed changes**

Welcome to Nice to Know—a section of our newsletter where we'll share a little something extra each month. Sometimes it might be a quick tip or fun fact. Other times, we'll have more to share—like updates on major capital projects happening around town. Whether it's a quick tidbit or a deep dive, this is your spot for useful info that helps you stay in the know about what's happening in White City.

Council is considering amendments to White City's Official Community Plan (OCP) and Zoning Bylaw. Wondering what that means and why now? Keep reading!

The proposed amendments come from two bylaws: Bylaw No. 735-26, the *Official Community Plan Bylaw Amendment Bylaw* and Bylaw No. 736-26, the *Zoning Bylaw Amendment Bylaw*.

Briefly, the intent of these bylaws are to:

- Incorporate the Meadows Neighbourhood Plan into the Official Community Plan to establish a policy framework to guide land use, servicing and phasing for the Meadows Development on the newly annexed lands on the eastern side of White City.
- Rezone recently annexed lands to Future Urban Development, establish residential zoning districts and rezone the first phase of the Meadows to R8, R9 and CS to accommodate residential development.

Council introduced and gave first reading to these bylaws at the October 13, 2026 Regular Council Meeting. This does not mean Council has approved the changes. Before Council makes any further decisions, they will receive written and verbal submissions from members of the public at a Public Hearing.

### Why is Council considering these changes?

As the Meadows development moves forward and plans take shape, updates to the Town's Official Community Plan (OCP) and Zoning Bylaw are needed to help guide future growth and establish clear expectations for development.

The proposed amendments support the Town's 2026–2029 Strategic Plan priority of responsible and community-aligned development, particularly two objectives:

- Objective 1.1: Create and/or update planning documents and design tools for clear development standards.
- Objective 1.2: Plan and implement timely and phased delivery of infrastructure and services to support the current and future community.

### How does this process support municipal planning?

Section 92 of the *Constitution Act, 1867* authorizes provinces to make laws in certain areas of responsibility, including matters relating to property and civil rights

### PUBLIC HEARING

**Monday, November 9, 2026 at 7:15 pm**
**White City Town Office (12 Ramm Ave E)**

Council will listen to feedback on two proposed bylaws:

- Bylaw No. 735-26, the Official Community Plan Bylaw Amendment Bylaw
- Bylaw No. 736-26, the Zoning Bylaw Amendment Bylaw

Public hearings provide the public with an opportunity to share information and perspectives to help Council make fair and informed decisions. Submissions may express support, opposition, or specific concerns related to the proposed amendments.

Can't attend? Send written comments to townoffice@whitecity.ca or Town of White City, Box 220 Station Main, White City, SK S4L5B1.

# Nice to Know

and municipal institutions. This provides the constitutional basis for provincial legislation governing land use and municipal planning. In Saskatchewan, this authority is exercised primarily through *The Planning and Development Act, 2007* (PDA), which establishes the legislative framework for community planning, zoning, subdivision and land use regulation in both urban and rural municipalities. From here, the PDA further grants municipalities like White City the authority to establish planning policies and regulate land use within their boundaries through the adoption of an OCP and Zoning Bylaw. Together, an OCP and Zoning Bylaw work hand in hand to support responsible management of land and development.

Think of the OCP as the vision for your dream house and the Zoning Bylaw as the rules for building it. You have your plans, the rules are established, and the house is built. But what happens when you decide you want to add something new... for example, a sunroom that wasn't part of the original plan? You may need to revisit your plans and determine whether the rules need to change to accommodate the addition.

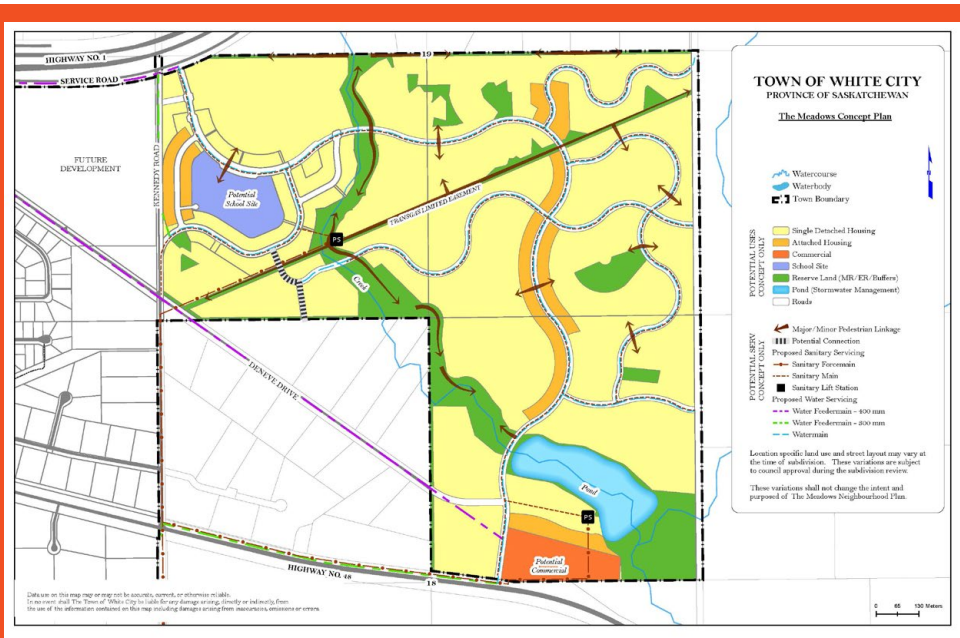

Similarly, as a community grows and new development opportunities emerge, amendments to the OCP, Zoning Bylaw or both may be needed to accommodate proposed changes. Amendments to these documents are required to follow a set process established under the PDA, including a public hearing that provides the public with an opportunity to comment before any amendments are adopted.

## What changes are being proposed?

The OCP amendment would incorporate the Meadows Neighbourhood Plan into the OCP, establishing an overarching policy framework to guide land use, servicing and phased development of the recently annexed lands on the eastern side of White City.

The Town's OCP dictates that major development areas require a neighbourhood plan, providing a high-level policy across the full development area to help guide future subdivision, rezoning and development decisions. For example, the Town Centre Neighbourhood Plan was incorporated into the OCP when Council adopted it in 2014.

The Meadows Neighbourhood Plan is broken down into six sections, providing an overview, vision, land use strategy, servicing strategy, implementation and concept plan. Specific Comprehensive Development Proposals will be required for each phase of development and before any subdivision or rezoning applications can be considered (these would outline land uses, density, transportation, servicing, open spaces and timelines supported by relevant technical studies).

The Meadows Concept Plan

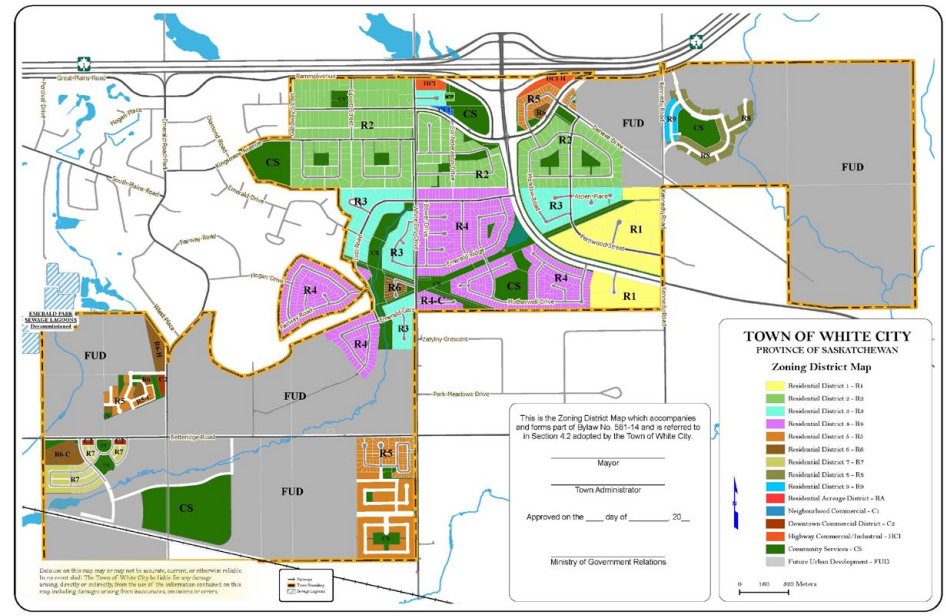

Highlights from the Meadows Neighbourhood Plan include the following:

- Vision: A "Live in Nature" concept, which emphasizes walkability, economic stewardship and strong community identity.

# Nice to Know

- Guiding Principles:
  - Coved streetscapes and transportation/pedestrian connections throughout the neighbourhood.
  - A variety of housing, recreational, education and commercial opportunities.
  - Density averaging 15 units per hectare with an estimated total population of 7000.
  - Single family residential make up 88% of lots and attached (duplex) dwellings make up 12% of lots.
  - Dedicated municipal reserve land to accommodate an elementary school, parks and greenways.
- Transportation: Five access points to the development area with connected pathways and east/west and north/south connectivity.
- Water and Wastewater: Planned connection to the Town's water system via a water main extension from the water treatment plant. Planned connection to the WCRM158 Wastewater Management Authority system through two lift stations and a force main.
- Environmental Protection: Stormwater managed through existing creek area, retention pond and roadside drainage. Detailed plans will be reviewed by the Water Security Agency during Phase 1.

The Zoning Bylaw amendment complement the proposed neighbourhood plan by establishing clear rules for how land within the area can be used and developed — like which land uses are permitted and which may be considered at Council's discretion. Zoning districts guide where different types of housing, including single-detached homes and attached housing, can be located. The amendment establishes the residential zoning districts, development standards and zoning map designations required for the initial stage of the Meadows development. Subsequent subdivision and development will remain subject to applicable planning, servicing and approval requirements.

**Proposed Zoning District Map**

The proposed amendments include:

- Updating the Future Urban Development district to add certain Permitted Uses (Greenhouses, Market Gardens and Tree and Plant Nurseries) and Discretionary Uses (Equestrian Facility (riding stable), Hobby Beekeeping and Home-Based Business);
- Replacing the unused R8 district with a district for single-detached residential development;
- Introducing an R9 district for front-drive semi-detached housing on individually titled lots;
- Rezoning SW19-17-17-2, SE 19-17-17 2 and Block A, Plan 101742320 to Future Urban Development; and
- Rezoning portions of SW 19-17-17-W2 to R8, R9 and CS to align with the zoning for the first phase of residential lots proposed within the Meadows and the inclusion of a potential elementary school site.

**VIEW THE PROPOSED BYLAWS:**

- Online at **whitecity.ca/p/public-notices-open-houses**; or
- At the White City Town Office between 8 am - 5 pm, Monday to Friday.

## Senior Social Club

Seniors 55+: join us, meet new friends and have fun! Details: whitecity.ca/p/senior-social-club

**Wednesdays until Dec. 16**
12:15–12:45 pm: beginner line dancing
1:00–2:00 pm: regular line dancing
2:00–2:30 pm: advanced line dancing
2:00–4:00 pm: cards, games & coffee

**Mondays: Nov. 9 & 23, Dec. 7**
1:00–4:00: Jam Session/Sing Along + various games

## The Social Spot

Spend an evening with friends — and make new ones — at this program for Grades 9 to 12. Enjoy a variety of activities in a fun, social environment. Details: whitecity.ca/p/the-social-spot

**Wednesdays: Nov. 4 & Dec. 2**
6:30 pm – 8:30 pm

## Free to Be

Make friends, get creative, and have a blast at this inclusive drop-in space for youth age 9-14. Free to attend. Weekly theme varies. Details: whitecity.ca/p/free-to-be

**Wednesdays: Nov. 18 & 24 | Dec. 9 & 16**
6:30 pm – 8:30 pm

## Toddler and Me

Connect and unwind with other caregivers while kids enjoy self-directed play. Supervision required. Details: whitecity.ca/p/toddler-and-me

**Wednesdays until Dec. 16**
9:00 am – 11:00 am

## White City / Emerald Park District Lions Club

For more info, contact wcepdlions@gmail.com.

## Remembrance Day Service

Join us to honour those who gave their lives to serve our country. Everyone welcome. Wreaths laid by invitation only. Officiants: James & Rebecca Otitoju. Sponsored by the Town of White City.

**November 11, 2026:** 10:00 am – 11:00 am

## Quilt Sew Fine

Work on your latest creative project and connect with others who share your passion for crafting. Bring your own portable handicraft project.

Every other Tuesday until June 22, 2027
9:30 am – 4:00 pm

## Forever ... in motion

Improve strength, endurance, balance, and flexibility with this low-impact fitness program. Details: whitecity.ca/p/forever-in-motion

**Tuesdays and Thursdays until Dec. 17**
10:00 am – 11:00 am

## White City Walks

Stay active, connect with others, and meet your step goal during the colder months (Nov. to Apr.)! Details: whitecity.ca/p/white-city-walks

**Mondays:** 6:00 pm – 7:30 pm
**Thursdays:** 11:30 am – 1:30 pm

## Fitness Boot Camp

Shake up your routine with a fun, full-body workout designed for all fitness levels. Cost: $15/class, $125 for all 10 weeks. Register: whitecity.ca/p/fitness-boot-camp

**Tuesdays:** 7:30 pm – 8:15 pm

Programs take place at the White City Community Centre (12 Ramm Ave E) unless otherwise noted. Questions? Contact 306-781-2355 ext 237 or mwhite@whitecity.ca.

White City inSight

## Newsletter Survey

In January 2026, we introduced changes to the format and schedule of the Town's newsletter. Over the past year, we've published monthly digital editions (with limited printed copies available at the Town Office), and quarterly printed editions delivered to all households.

Now that you have had an opportunity to experience the new format, we are reviewing whether the newsletter continues to meet residents' needs. Your feedback will help us understand how you read the newsletter, what information is most valuable to you, and where we can make improvements.

# Parks, Rec & Culture

## Save the Date: Twinkle Tour

The Town of White City is partnering with the White City Emerald Park District Lions Club to bring you Twinkle Tour 2026!

**Join us on Thursday, December 10 at the Community Centre for another magical evening of holiday lights and festive fun for the whole family.**

House nominations will open November 20 and close December 4. Closer to the date, we'll share an online form so you can register your own home or nominate a neighbour's display to be included in the guided tour of our community's most decked-out houses.

Stay tuned for more information, including bus registration details. We'll share updates on social media and on our Twinkle Tour webpage: whitecity.ca/p/twinkle-tour.

# Help Us Plan Chillfest

Winter fun is on the horizon!

The Parks, Recreation & Culture Department is beginning to plan this year's Chillfest and we want to hear from you.

We're looking for community feedback to help determine the event date that works for as many residents as possible. Your input will help us select the best day for our annual winter celebration.

Please take this survey and let us know which date(s) you would be available to attend.

CHILLFEST

# Volunteer Appreciation Sponsors

The Town hosted our annual Volunteer Appreciation Night on October 23. We'd like to give a heartfelt thank you to the local businesses that generously sponsored the event.

Their support helped make this special evening possible and allowed us to celebrate the incredible volunteers who give their time and talent to make White City a better place.

Thank you for helping us recognize and celebrate those who make a difference!

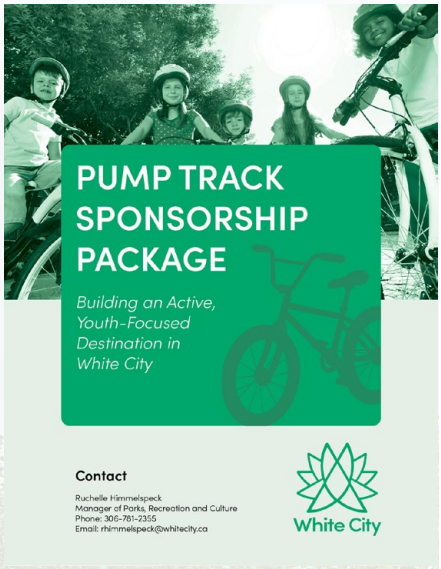

# The Season of Giving

# Sponsor the Pump Track

Help us build a lasting community legacy! We are proud to be developing a new modular pump track at Serbu Park, an exciting outdoor recreation space that will encourage active lifestyles, bring families together, and provide a safe place for riders of all ages.

We're inviting local businesses to become project sponsors and play a key role in bringing this community asset to life and supporting long-term upkeep. Your investment will create a lasting legacy that benefits our community while showcasing your commitment to making White City an incredible place to live, work and play.

By sponsoring the pump track, your business will:

- Demonstrate community leadership and local pride
- Gain long-term recognition and visibility in a high-use recreation space
- Support healthy, active lifestyles for local youth and families
- Help enhance recreation opportunities and public amenities

We are offering a range of sponsorship levels; we also welcome in-kind contributions to help bring this project to life.

Learn more and explore the sponsorship package at whitecity.ca/p/pump-track-sponsorship. If your business is interested in becoming a sponsor, please contact the Town's Community Partnership Coordinator, Madison Coderre, at 306-781-2355 ext 227 or mcoderre@whitecity.ca.

# Double K Rec Facility: Sponsorship

Be part of the action at White City's outdoor rink and recreation hub! This state-of-the-art facility is the heart of year-round activity in our community. The Town of White City is thrilled to welcome families, athletes and visitors alike to Double K Recreation Facility — and we're inviting your business to be part of the excitement.

Consider sponsoring a rink board advertisement or light pole pennant and receive recognition on the Town website and social media pages. Sponsorship offers you the chance to:

- Gain prime visibility in a high-traffic, family-focused environment;
- Connect directly with a vibrant, engaged community;
- Show your support for local recreation and community well-being;
- Be recognized as a proud partner in keeping this facility thriving.

Learn more and explore the sponsorship package at whitecity.ca/p/double-k-sponsorship. If your business is interested in becoming a sponsor, please contact our Community Partnership Coordinator at 306-781-2355 ext 227 or mcoderre@whitecity.ca.

# Public Works

## Upcoming Projects & Reminders

With the imminent arrival of winter weather, Public Works has a lengthy to-do list, including:

- Urban Forest Management: Crews are trimming branches and removing a few dead trees to keep White City's urban forest safe and healthy.
- Winter Equipment Prep: Staff are getting plows and other winter equipment ready so we're prepared for the first snowfall.
- Marking Culverts: By identifying drainage points now, the team can help reduce the risk of flooding when the snow melts next spring.
- Outdoor Rink Prep: The team is getting our outdoor rinks ready for another season of skating. We'll be ready to welcome skaters once conditions are right — stay tuned for official opening announcements!

**Please help keep our Public Works staff safe; watch for crews and equipment while driving and slow down in work zones.**

## Seasonal Property Maintenance

**Here are a few important reminders to help residents prepare for the changing season:**

- **Check Your Sewer Caps:** Inspect your sewer clean out and make sure the sewer cap in your driveway is in place and not broken. A cracked, damaged or missing sewer cap can lead to frozen sewer lines in the winter. Frozen sewer lines are the homeowner's responsibility and the Town will not cover the cost of thawing a frozen line.
- **Mark Road Edges:** Place property markers where your lawn meets the pavement to make it easy for snowplow operators to avoid damaging your property.
  - Per White City's *Community Standards Bylaw,* property markers must:
    - ☑ Be flexible and temporary/removable
    - ☑ Not be made of rigid materials like rebar, concrete, brick, stone, or metal
    - ☑ Not be connected by rope, wire, or string
- **Garbage Bin Placement:** Public Works would like to remind residents to please place your garbage, recycling and compost bins on your driveway, not the roadway. Loraas trucks have arms that can reach up to nine feet, so they'll have no problem collecting your bins. This is especially important during the winter so Public Works can plow our roads efficiently, without having to maneuver around bins placed on the street.
  - **Reminder: compost has now switched to monthly pickup. From November until April, compost will be collected on the fourth Tuesday of the month.**

# Community Safety

## September 2026 Statistics

- 17 traffic stops conducted
  - 10 tickets issued
  - 6 tickets for speeding
  - 3 tickets for driving double the speed limit
  - 1 ticket for speeding in a school zone
  - 4 warnings issued for speeding
  - 1 warning for disobeying a stop sign
  - 1 warning for driving with a cracked windshield
  - 1 warning for riding a power-assisted bicycle without prescribed helmet
- 6 Traffic Bylaw incidents
  - 4 parking reminders
  - 1 unfounded complaint for parking on a sidewalk
  - 1 warning for failing to park in the direction of traffic
- 1 animal control incident
  - 1 case of allowing an animal to bark or howl so as to create a nusiance
- 1 Community Standards incidents
  - 1 warning for a noise complaint
- 2 All-Terrain Vehicle incidents
  - 1 warning for exceeding a reasonable and safe speed
  - 1 warning for failing to wear helmet/ eye protection
- 1 Environmental Management and Protection Act incident
  - 1 warning for illegal dumping

The inSight newsletter is created around the 15th of each month. Publishing CSO statistics from September in November aligns with the newsletter production schedule, allowing time for thorough data analysis and timely inclusion in the current edition. October 2026 statistics will be available in the December 2026 edition.

# Let It Snow(mobile)!

Looking forward to the snow this this winter? Before you rev up your snowmobile, make sure you're familiar with the rules for riding in White City, outlined in our *Off-Road Vehicle Bylaw* and Saskatchewan's *Snowmobile Act*.

**Where Can You Ride?**

Here's where you can operate a snowmobile in town:

- Private Property: You can ride on private property but you must have permission from the landowner.
- To and From Town: Take the most direct route to and from your property to travel outside of town. Travel along the farthest right-hand portion of the road in the direction you're heading. Roadways in White City are shared spaces, so stay alert, watch for traffic, and be mindful of other road users.

**Where Can't You Ride?**

Please keep your snowmobiles off of prohibited areas, including:

- Town-owned land
- Public reserve land
- Parks and buffer strips
- Walkways and multi-use pathways
- Crown-owned land

Note: operation of snowmobiles on Provincial Highways is only permitted to safely cross the highway. You should travel in the ditch area along Provincial Highways.

**Who Can Operate a Snowmobile?**

To operate a snowmobile, you must:

1. hold a class 1, 2, 3, 4 or 5 driver's licence;
2. be at least 16 years of age and have completed a safety course; or
3. be between 12 and 16 years of age, have completed a safety course, and be accompanied and supervised by another person who holds a class 1, 2, 3, 4 or 5 driver's licence.

**What Else Do You Need to Know?**

- You cannot operate snowmobiles between 11:00 pm and 7:00 am.
- You must not drive faster than 20 km/hour within town.
- You need to avoid creating excessive noise while operating a snowmobile.

Thank you for helping us make sure all residents enjoy the winter season. Bundle up, ride responsibly, and have a great winter!

## CHILDREN'S PROGRAMS

### Preschool Storytime

Fridays at 10:00 AM

November 6, 13, 20

A drop-in program for children 0-5 years and their caregiver. Join Gail for stories, rhymes and a simple craft.

### Makerspace kits this month

Button Maker: Create your own buttons with our Makerspace kit! Use paper or fabric to create your own unique design. Button diameter is 2.25"

Karaoke: Let your inner superstar shine! We have 70s music, country, movie music, Disney and much more.

### Dungeons & Dragons

Monday, November 9, 16, 23, 30th. No experience required. All materials provided, just bring your imagination. Ages 11-16. Minimum 2 & Maximum 6 participants. Please Register.

## ADULT PROGRAMS

### Adult Book Club

Thursday, November 26 at 11:00 AM.

We will be discussing Born a Crime by Trevor Noah. Books are available at the front desk.

### Christmas Crochet Class

Saturday, November 14 & 21 at 1:00 PM

This is a two-part class. Registration is required. Various projects available.

Suitable for Adults/Teens.

### Outdoor Winter Arrangement

Monday, November 23rd at 6:30 PM

Carrie Hordos will share ideas and her experience on making simple arrangements. Please bring a pot filled with soil or sand for your arrangement. Other items to bring are pruning shears, gardening gloves, and decorations for your arrangement. Registration is required.
